

**NEW LOOK.
NEW LOCATION.
SAME DEDICATION TO HIGH QUALITY SERVICE AND CARE.**

In today's world, it's important to stay current and aware of changing trends.

In fact, many good businesses are built on this very principle. This is one of the reasons we've updated the image of our firm—to reflect our relentless commitment to change.

EvansMartin LLP, Chartered Accountants and Business Advisors are excited to unveil our new corporate look and to announce our relocation to brand new offices, *effective August 31st, 2009*.

While adapting to change can be good for business, there are some things that should never change, like a dedication to providing high level expertise in a friendly, personal manner. So although our looks have changed, our high service standards never will.

We'd like to invite you to come and visit us at our new home after we move. We are merging our Brampton and Etobicoke offices into one office located more centrally at:

75 Courtneypark Drive West, Unit 1
Mississauga, Ontario L5W 0E3

Our offices in North York will continue to remain open to serve you as they always have.

In the interest of serving you more effectively, you also will now be able to reach any of our staff—regardless of their office location—at our new GTA toll-free numbers below:

Call: (416) 613-3100
Fax: (416) 613-3101

We look forward to hearing from you soon.
